5636 Westheimer  
Houston, TX 77056  
(713) 621-5141

**D**r. Terri Alani and her team of smile experts have made listening to each and every one of their patients a top priority for more than 25 years. Dr. Alani feels that having a small and personable staff allows her to “cater to her patients’ every needs” and leads to a multitude of patients referring friends and family to her for their dental care.

Although cosmetic dentistry is her true passion, Dr. Alani handles everything from general teeth cleanings to state-of-the-art procedures sure to give your smile a brand-new look. While Dr. Alani’s lab creates some of the best crown and veneer work in the city, she also specializes in ZOOM! Whitening, as seen on “Extreme Makeover,” and a wide array of restorative work.

After receiving her B.S. from Texas A&M University and attending graduate school in civil engineering, Dr. Alani came to Houston to earn

her D.D.S. from the University of Texas Dental School. An avid fitness enthusiast, Dr. Alani enjoys swimming, cycling and weight training, as well as keeping up with her two teenage children.

In addition to perfecting smiles, Dr. Alani hosts a weekly radio show with her brother Dr. Wayne Alani, an orthopedic surgeon, in which the entertaining duo discuss a range of health-related topics with frequent special guests dishing out expert advice. “For Your Health With Terri & Wayne” airs Saturdays at 2 p.m. on 1320 AM, the BizRadio Network.
